CENTRE POLICIES

The centre is guided by policies that outline "Best Practice" which are followed by staff, children, families and the community.

Families are encouraged to be involved in reviewing and revising centre policies throughout the year.

The centre's policies are divided into the following categories:

1. Policies in Practice
2. Facilities & Equipment
3. Staffing
4. Health & Safety
5. Programming

Centre Policies are available for parents to view at any time in the parent information area.

Following is a summary of some of our policies.

Health, Hygiene and Immunisation:

Unwell and sick children should not attend the centre.

Children's illnesses spread quickly in childcare therefore infecting many children at one time.

Contagious illnesses must be reported to the centre and exclusion periods will be enforced if required.

If you object to Immunisation for your child, please provide the centre with a letter from your GP

Medication:

Staff will only administer medication that has been prescribed by a medical practitioner. All medications must be clearly labelled with the child's name, date of expiry and in their original packaging.

Parents must complete a medication authority record for medication to be given at the centre.

For information relating to other Medical Conditions please see pg5.

Communication:

The centre encourages positive communication between staff and families through monthly newsletters, surveys and informal discussions.

A Family Information Area is set up where centre notices such as the afternoon menu, staffing and rosters, up and coming events are advertised. All other information for families is emailed directly to you.

It is important to update your contact details with us throughout the year, this can be done by downloading our Change of Details Form from our website or by emailing admin@kidsclubosh.com.au We value your input and encourage you to make suggestions which can be made directly to staff or by placing a note in our suggestion box in the parent area.

Feedback/Grievance Procedures

The centre values feedback from parents and uses this information for policy review and staff training. We encourage our families to be open with any comments they have about the centre and hope they will bring them to the attention of the Co-ordinator as soon as possible so that they can be addressed immediately.

The centre is committed to best practice and to continual improvement.

Behaviour Management

The centre believes in the effectiveness of a well-planned environment to discourage unacceptable behaviour.

Children at the centre are encouraged to help in the planning of experiences and the design of the environment that they will be a part of.

Appropriate role modelling, mutual respect, valuing of others and building children's self-esteem all contribute to positive behaviour management.

Children together with staff formulate appropriate "codes of conduct" that are reviewed regularly.

Sun Protection

Kids Club is dedicated to the prevention of sun damage and awareness of the adverse effects of the sun on children in child care.

All children attending the centre must wear both a hat and sunscreen whilst at the centre.

The centre provides sunscreen which will be applied before the children use the outdoor environment. If you would like to provide your own sunscreen, please do so.

The purchasing of our Kids Club hat is compulsory for Holiday Club in the school holidays.

THE PROGRAM

The centre plans a child focused program based on the skills and interests of the children attending. The children, parents and staff are encouraged to write their suggestions down each week on our Mind Map which is displayed near the parent sign out area.

Through observations of the children and evaluating our activities and experiences throughout the afternoon we are confident that the children have a well-balanced, interest-based program that gives them the opportunity for new experiences as well as being able to choose their own activities.

Both staff, parents and children collaborate regularly to discuss program outcomes and plan short and long term projects.

Our Program is displayed through the learning areas of Science, Creativity, Culture, Community and Physical/Free play on the wall near the sign in/out area. Please take the time to look at what the children have been up to.

The Vacation Care (Holiday Club) Program is planned during the term to ensure it is varied and interesting for the children, providing the children with a range of both centre days, incursions and excursions such as The Aquarium and the Movies.

It is held out our other service in the grounds of Bellevue Hill Public School

The Program is advertised on our website and at the centre, all bookings can be made by downloading the Program and Booking Form from our website and returning the form by email to admin@kidsclubosh.com.au Places are always limited so please get in early.

Please make sure that you purchase a Kids Club hat for your child to wear during the Holiday Club Program.
